This letter responds to your February 23, 2001 request for a letter ruling supplementing our prior letter ruling dated April 26, 2000 (the "Prior Letter Ruling"). The legend abbreviations, factual summary, and representations appearing in the Prior Letter Ruling are hereby incorporated by reference except as otherwise stated.

The Prior Letter Ruling addressed certain federal tax consequences of a series of proposed transactions that would ultimately lead to the conversion of Company from a mutual company into a stock company wholly owned by a new publicly-traded holding company, Parent (the "Demutualization"), and the realignment of Company's affiliated group along business lines (the "Realignment"). Because certain facts and steps in the Demutualization and Realignment have changed from those described in the Prior Letter Ruling, and because new steps not previously disclosed to this Office when the Prior Letter Ruling was issued will be undertaken, you have asked us to amend the Prior Letter Ruling in various ways.

Pursuant to your request, the Prior Letter Ruling has been amended as follows:

(A) Newco 5, Business G, Business H, PS 1, S15, S16, S17, d, e, f, g, and h have been added to the legend. In addition, the old names of Parent, Sub, and S14 have been deleted from the legend, and the new names of these entities have been added. Also, the name and EIN number of the first PAMsub in the legend has been changed.

(B) The following paragraphs have been added to the Summary of Facts on page 7:

Company wholly owns S15 and S16, both corporations, and d% of PS 1, a limited partnership. S16 wholly owns S17, which in turn, owns the remaining e% of PS 1. S16 and PS 1 engage in Business G.

We have received financial information indicating that Business G, as conducted by S16, has had gross receipts and operating expenses representing the active conduct of a trade or business for each of the past five years.

(C) The subtitle Public Offering and its contents on page 8 have been deleted and replaced with the following:

Public Offering and Other Transactions

Concurrently with the Demutualization, additional Parent stock will be issued through an initial public offering undertaken to raise cash for payment to various categories of policyholders and to replenish Company capital (the "IPO"). In addition, Parent will raise capital by issuing, in a private placement, Class B voting common stock (the "Class B Stock"). The value of the Class B Stock will be based on the performance of Business H. If the Participating Policyholders, the investors who participate in the IPO (the "Public Investors"), and the recipients of the Class B Stock (the "Class B Shareholders") were considered a group of co-transferors in an integrated transaction (due to the Class B Stock being viewed as Parent stock), the Participating Policyholders, the Public Investors, and the Class B Shareholders would own f percent, g percent, and h

percent (less than one percent), respectively, of Parent's outstanding stock. Thus, the Participating Policyholders, the Public Investors, and the Class B Shareholders, as a group, would be in "control" of Parent, as that term is defined in § 368(c). If the Class B Stock is not viewed as Parent stock, the Participating Policyholders and the Public Investors, together, would own all of Parent's outstanding stock. Thus, the Participating Policyholders and the Public Investors would, as a group, be in "control" of Parent, as that term is defined in § 368(c).

(D) Steps (v) through (xxix) on pages 8 through 10 have been deleted and replaced with the following:

(v) S2 will distribute its S12 stock to Company ("Distribution 8").

(vi) S2 will distribute its S13 stock to Company ("Distribution 9").

(vii) Company will contribute its S12, S13, and S15 stock to Newco 5 in exchange for Newco 5 stock ("Contribution 6"). Company will then distribute the Newco 5 stock to Parent ("Distribution 12").

(viii) Parent will contribute its Company stock to newly formed domestic Sub. Sub will be disregarded as an entity separate from Parent for federal tax purposes under § 301.7701-3(b)(1)(ii).

(ix) Company, S1, and Country A "nominee" shareholders (required to satisfy Country A shareholder requirements) will transfer cash to newly formed Newco 1, a Country A corporation. In exchange, S1 will receive voting common stock having at least 80 percent of the combined voting power of all Newco 1 stock. Company and the nominees will receive the remaining voting common stock as well as voting preferred stock. S1 then will transfer the Branch assets (including certain foreign currency and accounts receivable) to Newco 1 in exchange for the cash contributed by S1 to Newco 1 earlier in this step (ix) and the assumption by Newco 1 of related liabilities.

(x) As soon as permitted under Country A and State C law, but not more than 12 months after the Demutualization, S1 will distribute its Newco 1 voting common stock to Company ("Distribution 2").

(xi) Company will contribute the stock of FS1, FS2, Newco 1, and the OFsubs, and certain corporate-center assets and liabilities related to Business B to its recently formed, wholly owned domestic subsidiary, IHC, in constructive exchange for additional IHC stock ("Contribution 1").

(xii) Company will distribute the IHC stock to Sub ("Distribution 1").

(xiii) Under State B law, S7 will convert to a limited liability company wholly owned by S2, following which it will be disregarded as an entity separate

from S2 under § 301.7701-3(b)(1)(ii).

(xiv) Under State B law, S9 will convert to a limited liability company wholly owned by S8, following which it will be disregarded as an entity separate from S8 under § 301.7701-3(b)(1)(ii).

(xv) LLC 1 will distribute cash and the LLC2 shares to S10, and S10 will transfer the shares of LLC1 and LLC2 to newly formed, domestic Newco 2 in exchange for Newco 2 stock ("Contribution 3").

(xvi) S10 will distribute the Newco 2 stock to S8 ("Distribution 4").

(xvii) S8 will distribute the Newco 2 stock to S7, and S7 will distribute the Newco 2 stock to S2 ("Distribution 5").

(xviii) S2 will distribute the Newco 2 stock to Company ("Distribution 6").

(xix) S2 will transfer the TAMsubs stock to S11 in constructive exchange for additional S11 stock ("Contribution 4").

(xx) S2 will distribute the S11 stock to Company ("Distribution 7").

(xxi) S2 will distribute all of its stock in the Osubs and FOsubs to Company.

(xxii) Company will transfer all the stock of S11, S14, the PAMsubs, LLC3, LLC4, and Newco 2, and all the Division assets, to newly formed, domestic Newco 3 in exchange for all of the Newco 3 stock and the assumption by Newco 3 of related liabilities ("Contribution 5").

(xxiii) Newco 3 will transfer the LLC3 shares to Newco 2 in constructive exchange for Newco 2 stock.

(xxiv) Newco 3 will transfer the LLC4 shares to newly formed, domestic Newco 4 in exchange for all of the Newco 4 stock.

(xxv) Newco 3 will transfer the stock of S11 and the PAMsubs, and all of the Division assets to S14 in constructive exchange for additional S14 stock and the assumption by S14 of related liabilities.

(xxvi) Company will distribute the Newco 3 stock to Sub ("Distribution 10").

(xxvii) Company will distribute the S2 stock and certain surplus assets (the "Surplus Assets" and the "Surplus Distribution") to Sub ("Distribution 11"). Sub will distribute the Surplus Assets to Parent for use in its businesses other

than Business H.

(xxviii) Sub will distribute the stock of IHC, Newco 3, and S2 to Parent.

(xxix) Company will contribute its d% interest in PS 1 to S16 ("Contribution 7"). Company will then distribute S16 to Sub, which will distribute S16 to Parent ("Distribution 13").

(xxx) Sub will issue senior, unsubordinated debt to unrelated parties (the "Debt Issuance"), and will distribute most of the proceeds to Parent for use in its businesses other than Business H.

(E) Certain refinements will be made to the methodology used in calculating the amount of consideration to which Eligible Policyholders are entitled in the Demutualization. Taxpayer confirms that representation (a2) on page 11 and representation (a12) on pages 11 and 12 will remain true and correct after these refinements.

(F) Representations (a1) through (a36) on pages 11 through 14 remain valid, except that representation (a21) has been modified, and new representation (a37) has been added as follows:

(a21) Except for the possible acquisition of Parent debt by Transferors in an unrelated public financing and the possible acquisition of Sub debt by Transferors in the Debt Issuance, there is no indebtedness between Parent and any of the Transferors. No indebtedness will be created in favor of any of the Transferors in exchange for transferred property as a result of the Demutualization.

(a37) For federal tax purposes, the Class B Stock is Parent stock.

(G) Representations (b1) through (b19) on pages 14 through 16 remain valid, except that representations (b1), (b2), (b3), (b4), (b6), (b16), (b17), and (b19) are modified and new representations (b20) and (b21) are added as follows:

(b4) Following Distribution 1, Company, FS1, FS2, and Newco 1 each will continue the active conduct of its business, independently and with its separate employees.

Based solely on the information and representations submitted in the original and supplemental requests, we rule that the above changes have no effect on the rulings contained on pages 33 through 42 of the Prior Letter Ruling, and those rulings remain in effect, except that (i) rulings (39) through (42) are deleted (and rulings (43) to (92) are renumbered as rulings (39) to (88), respectively (the "Renumbering")), and (ii)

rulings (9), (25), (27), (29), (31), (33), (34), (51), (81), (83), (85), (87), and (90) (prior to the Renumbering) are amended as follows:

(9) The Participating Policyholders will recognize no gain or loss on their transfer of Company stock to Parent in exchange for Parent stock (§ 351(a) and § 1.351-1(a)).

(25) No gain or loss will be recognized by Parent on Distribution 1 (§ 355(a)).

The introductory paragraph under the Contribution 2 and Distribution 2 rulings on page 36 is amended to read as follows: "Based solely on the information submitted and the representations made, and subject to rulings (89) and (90) and caveat (ix) below, we rule as follows on Contribution 2 and Distribution 2:".

(29) For federal tax purposes, the cash transferred by S1 to Newco 1 and then returned by Newco 1 to S1 in step (ix) above (other than the foreign currency) will be disregarded, and the transaction instead will be treated as if S1 had transferred the Branch assets (including the foreign currency and accounts receivable) to Newco 1 in exchange for Newco 1 common stock representing control of Newco 1 under § 368(c) and the assumption by Newco 1 of related liabilities ("Contribution 2").

(31) Other than gain recognized in rulings (89) and (90) and caveat (ix) below, no gain or loss will be recognized by S1 on Contribution 2 (§§ 357(a) and 361(a)).

(and no amount will otherwise be included in the income of) Parent on Distribution 11 (§§ 355(a)(1) and 356). The Surplus Distribution will be treated as a distribution of property to which § 301 applies (§ 356(b) and § 1.356-2(a)).

(87) The holding period of the S2 stock received by Parent will include the holding period of the Company stock on which Distribution 11 is made, provided the Company stock is held as a capital asset on the date of Distribution 11 (§ 1223(1)).

In addition, based solely on the information and representations set forth above, we rule as follows regarding Contribution 6 and Distribution 12 (after the Renumbering):

(95) No gain or loss will be recognized by Company on Distribution 12 (§ 361(c)).

(96) The holding period of the Newco 5 stock received by Parent in Distribution 12 will include the holding period of the Company stock on which Distribution 12 is made, provided the Company stock is held as a capital asset on the date of Distribution 12 (§ 1223(1)).

(97) Earnings and profits will be allocated between Company and Newco 5 in accordance with §§ 312(h), 1.312-10(a), and 1.1502-33(f)(2).

Caveats

The introductory caveat paragraph on page 42 and caveats (a) through (l) on pages 42 and 43 of the Prior Ruling Letter have been deleted and replaced with the following:

No opinion is expressed about the tax treatment of the proposed transactions (as modified) under other provisions of the Code and federal income tax regulations, or the tax treatment of any conditions existing at the time of, or effects resulting from, the proposed transactions (as modified) that are not specifically covered by the rulings contained in the Prior Letter Ruling, as reaffirmed and modified in part herein. Specifically, no opinion is expressed regarding:

(i) The contribution of Company stock by Parent to newly formed Sub, as

described in step (viii);

(ii) The conversion of S7 into a limited liability company, as described in step (xiii);

(iii) The conversion of S9 into a limited liability company as described in step (xiv);

(iv) The distribution of the stock of Osubs and FOSubs by S2 to Company, as described in step (xxi);

See § 6038B for the reporting requirements regarding S1's transfer of property to Newco 1;

(x) Whether the Class B Stock is Parent stock, and the federal income tax consequences to Parent and the Class B Shareholders on Parent's issuance of the Class B Stock to the Class B Shareholders in exchange for cash;
