## Instructions

**Paperwork Reduction Act Notice.**—We ask for the information on this form to carry out the Internal Revenue laws of the United States. You are required to give us the information. We need it to ensure that you are complying with these laws and to allow us to figure and collect the right amount of tax.

The time needed to complete and file this form will vary depending on individual circumstances. The estimated average time is 22 minutes. If you have comments concerning the accuracy of this time estimate or suggestions for making this form more simple, we would be happy to hear from you. You can write to both the **Internal Revenue Service**, Washington, DC 20224, Attention: IRS Reports Clearance Officer, T:FP, and the **Office of Management and Budget**, Paperwork Reduction Project (1545-0008), Washington, DC 20503. DO NOT send the tax form to either of these offices. Instead, see **Where To File** on this page.

**Purpose of Form.**—Form W-3c is used to accompany Copy A of **Form W-2c**, Statement of Corrected Income and Tax Amounts, sent to the Social Security Administration (SSA). Form W-3c can be filed separately to correct a previously filed Form W-3. A separate Form W-3c must be used for each type of W-2 (e.g., W-2, W-2P, W-2AS, W-2CM, W-2GU, or W-2VI) being corrected. Form W-3c is required to be filed with a single Form W-2c as well as with multiple Forms W-2c. However, you do not have to file Form W-3c with Form(s) W-2c if you are only correcting the employees' names or social security numbers.

Pensions and annuities paid for tax years after 1990 must be reported and corrected on **Form 1099-R**, Distributions From Pensions, Annuities, Retirement or Profit-Sharing Plans, IRAs, Insurance Contracts, etc. Use **Form 1096**, Annual Summary and Transmittal of U.S. Information Returns, not Form W-3c, as the transmittal form.

**Correcting More Than One Kind of Form.**—If you are correcting more than one kind of form, please group forms of the same kind, and send them in separate groups.

**Reporting on Magnetic Media.**—Forms W-2c and W-3c are not required to be filed on magnetic media. If you wish to submit data on magnetic media, contact the magnetic media coordinator in the Social Security regional office that services your state.

**Who Must File.**—Employers and other payers must file Form W-3c to send Copy A of Forms W-2c to SSA.

The transmitter or sender (including a service bureau, paying agent, or disbursing agent) may sign Form W-3c for the employer or payer only if the sender:

- a. Is authorized to sign by an agency agreement (either oral, written, or implied) that is valid under state law; and
- b. Writes "For (name of payer)" next to the signature.

Even though an authorized sender signs for the payer, the payer still has the responsibility for making sure the Form W-3c and attachments are filed correctly and timely, and is subject to any penalties that result from not complying with these requirements.

**Where To File.**—Household employers must file Forms W-2c and W-3c with the Social Security Administration, Data Operations Center, Albuquerque, NM 87180.

If corrections are made to paper Forms W-2P, send Forms W-2c and W-3c to the Internal Revenue Service Center where you filed your employment tax forms (941). If you are making corrections to Forms W-2P using magnetic media, file with the Martinsburg Computing Center. See Form W-3 instructions for how to obtain magnetic media reporting specifications.

**How To Complete Form W-3c.**—Form W-3c is a two-part form. Please type entries if possible. Send the whole first page with Forms W-2c. Please do not staple them to Form W-3c.

Form W-3c can be filed alone (without accompanying Forms W-2c) to correct an EIN or information on a previously filed Form W-3. If the EIN is the only change you need to make, complete only the year being corrected, establishment number (optional), telephone number (optional), and items 1, 3, and 7.

**Year being corrected.**—This is the calendar year of the original Forms W-2, W-2P, etc., being corrected.

**Number of Forms W-2c attached.**—Show the number of individual Forms W-2c filed with this Form W-3c or enter -0- if you are correcting a previously filed Form W-3.

**Establishment number.**—This item may be used by the employer to identify each of several establishments or subsidiaries. You do not have to complete this item.

**Employer's telephone number.**—This will be used only if there is a problem in processing your correction. You do not have to complete this item.

**Item 1—Employer's name, address, and ZIP code.**—This should be the same as shown on your Forms 941, 942, or 943. Include the suite, room, or other unit number after the street address. If the Post Office does not deliver mail to the street address and you use a P.O. box, show the P.O. box number instead of the street address. If you are correcting the name and/or address previously reported, mark the corrected checkbox.

The IRS will not use Form W-3c to update your address of record. If you wish to change your address, complete **Form 8822**, Change of Address. To obtain Form 8822, or any other IRS form, call 1-800-TAX-FORM (1-800-829-3676).

**Item 2—Employer's SSA number.**—If you checked the section 218 box in item 5 and are correcting a 1986 or earlier year, show the number assigned to you by SSA. This number always starts with 69. Also add the "L" indicator, coverage group and/or PRU numbers, if these have been assigned to you by SSA.

**Item 3—Employer's Federal identification number.**—Show the correct number assigned to you by the IRS (00-0000000). If the W-3c is being used to correct an identifying number, use line 7 to show how the number was incorrectly recorded on the original form.

**Item 4—Employer's state I.D. number.**—You are not required to complete this item. This number is assigned by individual states where your business is located. You may want to complete this item if you use copies of this form for your state returns.

**Item 5—Kind of payer and corrected tax statements transmitted.**—Put an "X" in the checkbox that applies to you.

CT-1.—Check this box if you are a railroad employer correcting Forms W-2 for employees covered under the Railroad Retirement Tax Act (RRTA). If you also have to correct forms of employees who are subject to social security and Medicare taxes, send each group's Forms W-2c with a separate Form W-3c. Send the social security and Medicare taxes employees' Forms W-2c with a separate Form W-3c that has a checkmark in the 941/941E box.
