

Paperwork Reduction Act Notice

We ask for the information on the payment-vouchers to carry out the Internal Revenue laws of the United States. You are required to give us the information. We need it to ensure that you are complying with these laws and to allow us to figure and collect the right amount of tax.

The time needed to complete the worksheets and prepare and file the payment-vouchers will vary depending on individual circumstances. The estimated average time is: Recordkeeping, 1 hr., 19 min.; Learning about the law, 20 min.; Preparing the worksheets and payment-vouchers, 49 min.; Copying, assembling, and sending the payment-voucher to the IRS, 10 min. If you have comments concerning the accuracy of these time estimates or suggestions for making this package easier, we would be happy to hear from you. You can write to both the Internal Revenue Service, Washington, DC 20224, Attention: IRS Reports Clearance Officer, T:FP; and the Office of Management and Budget, Paperwork Reduction Project (1545-0087), Washington, DC 20503. DO NOT send the payment-vouchers to either of these offices. Instead, see Where To File Your Payment-Voucher on page 5.

Purpose of This Package

Use this package to figure and pay your estimated tax. Estimated tax is the method used to pay tax on income that is not subject to withholding; for example: earnings from self-employment, interest, dividends, rents, alimony, etc.

This package is primarily for first-time filers who are or may be subject to paying estimated tax. This package can also be used if you did not receive or have lost your preprinted 1040-ES package. The estimated tax worksheet on page 3 will help you figure the correct amount to pay. The vouchers in this package are for crediting your estimated tax payments to your account correctly. Use the Record of Estimated Tax Payments on page 5 to keep track of the payments you have made and the number and amount of your remaining payments.

After we receive your first payment-voucher from this package, we will mail you a preprinted 1040-ES package with your name, address, and social security number on each payment-voucher. Use the preprinted vouchers when you receive them to make your **remaining** estimated tax payments for the year. This will speed processing, reduce processing costs, and reduce the chance of errors.

Do not use the vouchers in this package to notify the IRS of a **change of address**. If you have a new address, get **Form 8822**, Change of Address, by calling 1-800-829-3676. Send the completed form to the Internal Revenue Service Center where you filed your last tax return.

Who Must Make Estimated Tax Payments

In most cases, you must make estimated tax payments if you expect to owe, after subtracting your withholding and credits, at least \$500 in tax for 1992, and you expect your withholding and credits to be less than the **smaller** of:

- 90% of the tax shown on your 1992 tax return, or
- 100% of the tax shown on your 1991 tax return (the return must cover all 12 months).

Caution: If 100% of your 1991 tax is the **smaller** of the two amounts, see **Limit on Use of Prior Year's Tax** on this page for special rules that may apply to you.

Generally, you do not have to pay estimated tax if you were a U.S. citizen or resident alien for all of 1991 and you had no tax liability for the full 12-month 1991 tax year.

The estimated tax rules apply to:

- U.S. citizens and residents,

- Residents of Puerto Rico, the Virgin Islands, Guam, the Commonwealth of the Northern Mariana Islands, and American Samoa, and
- Nonresident aliens (use Form 1040-ES(NR)).

If you also receive salaries and wages, you can avoid having to make estimated tax payments by asking your employer to take more tax out of your earnings. To do this, file a new **Form W-4**, Employee's Withholding Allowance Certificate, with your employer.

Caution: You may not make joint estimated tax payments if you or your spouse is a nonresident alien, you are separated under a decree of divorce or separate maintenance, or you and your spouse have different tax years.

Tax Law Changes Effective for 1992

Use your 1991 tax return as a guide for figuring your estimated tax, but be sure to consider the changes noted in this section. For other changes that may affect your 1992 estimated tax, see Pub. 553.

Expiring Tax Provisions. At the time this package went to print, several tax provisions, including the self-employed health insurance deduction, were scheduled to expire 12/31/91. See Pub. 553 to find out if these provisions were extended.

Limit on Use of Prior Year's Tax. Some individuals (other than farmers and fishermen) with income over a certain amount must make a special computation to figure their estimated tax payments. Although these individuals may use 100% of their 1991 tax to figure the amount of their first payment, they may not be able to use that amount to figure their remaining payments. To see if this special computation applies to you, first fill in the 1992 Estimated Tax Worksheet (on page 3) through line 14b. Then, answer the questions below. But if you answer NO to any question, stop and read the instructions below question 3.

1. Did you make any estimated tax payments for 1991, 1990, or 1989, **OR** were you charged an estimated tax penalty for any of those years? (If either applies, answer "Yes.") Yes No
2. Is your 1992 adjusted gross income (AGI) on line 1 of the worksheet more than \$75,000 (\$37,500 if married filing separately)? Yes No
3. Do you expect your 1992 modified AGI (defined on page 2) to exceed your 1991 actual AGI by more than \$40,000 (\$20,000 if married filing separately)? Yes No

If you answered **NO** to any of the questions above, you don't have to make the special computation. Instead, fill in the rest of the worksheet on page 3.

If you answered **YES** to all three of the questions above, you must make the special computation. Do not fill in the rest of the worksheet on page 3. Instead, use the **1992 Estimated Tax Worksheet Limiting Use of Prior Year's Tax** in Pub. 505 to figure all your estimated tax payments. That worksheet uses 100% of your 1991 tax to figure your first payment.

Modified AGI for this purpose means AGI figured without including any gain from the sale or exchange of your main home or gain from a casualty, theft, condemnation, or other involuntary conversion required to be shown on your 1992 return. Partners and shareholders in an S corporation must include their income, gains and losses (other than from the disposition of their interests in a partnership or S corporation), and deductions for 1991 from the partnership or S corporation instead of the amounts for 1992. But this rule does not apply to general partners, partners who owned at least a 10% capital or profit interest in the partnership, or shareholders who owned at least 10% of the stock (vote or value) of the S corporation.

Standard Deduction for 1992. If you do not itemize your deductions, you may take the 1992 standard deduction listed below:

Filing Status	Standard Deduction
Married filing jointly or Qualifying widow(er)	\$6,000
Head of household	\$5,250
Single	\$3,600
Married filing separately	\$3,000

Caution: If you can be claimed as a dependent on another person's 1992 return, your standard deduction is the greater of \$600 or your earned income, up to the standard deduction amount.

An additional amount is added to the standard deduction if:

- You are an unmarried individual (single or head of household) and are:

65 or older or blind	\$900
65 or older and blind	\$1,800
- You are a married individual (filing jointly or separately) or a qualifying widow(er) and are:

65 or older or blind	\$700
65 or older and blind	\$1,400
Both spouses 65 or older	\$1,400 *
Both spouses 65 or older and blind	\$2,800 *

* If married filing separately, these amounts apply only if you can claim an exemption for your spouse.

Line 7—Additional Taxes. Enter the additional taxes from **Form 4970**, Tax on Accumulation Distribution of Trusts, or **Form 4972**, Tax on Lump-Sum Distributions.

Line 9—Credits. See the 1991 Form 1040, lines 41 through 45, or Form 1040A, lines 24a and 24b, and the related instructions.

Line 11—Self-Employment Tax. If you and your spouse make joint estimated tax payments and you both have self-employment income, figure the self-employment tax separately. Enter the total on line 11. When figuring your estimate of 1992 net earnings from self-employment, be sure to use only 92.35% of your total net profit from self-employment.

Add \$8,491.50 to the result and enter the total on line 11. If your estimate of 1992 net earnings from self-employment is \$130,200 or more, enter \$10,657.80 on line 11.

Line 12—Other Taxes. Enter any other taxes, such as tax on early distributions (Form 5329, Part II, only), and alternative minimum tax. Do not include any recapture of Federal mortgage subsidy. For details, see page 26 of the 1991 Instructions for Form 1040. You do not have to include social security and Medicare tax on tip income not reported to your employer or uncollected employee social security and Medicare or RRTA tax on tips or group-term life insurance.

Payment Due Dates

Use one of the following charts to determine your payment due dates. Payments are due by the dates indicated whether or not you are outside the United States and Puerto Rico.

You may have a large change in income, deductions, additional taxes, or credits during the year that may require you to make estimated tax payments. If you meet the requirement to make estimated tax payments after March 31, use Chart B. Otherwise, use Chart A to determine the payment due dates.

Whether you have steady or unexpected income, you do not have to make the payment due January 15, 1993, if you:

- File your 1992 Form 1040 or 1040A by February 1, 1993, and
- Pay the entire balance due with the return.

Chart A—Individuals With Steady Income. You may pay all of your estimated tax by April 15, 1992, or in four equal amounts by the dates below.

Estimated payments due by:

1st Payment	April 15, 1992
2nd Payment	June 15, 1992
3rd Payment	Sept. 15, 1992
4th Payment	Jan. 15, 1993

Chart B—Individuals With Unexpected Income. Use the amount on line 16 of the estimated tax worksheet, minus any 1991 overpayment that was applied to 1992, for the estimated tax due.

If the requirement to pay estimated tax is met after:	Payment date is:	Of the estimated tax due, pay:
Mar. 31 and before June 1	June 15, 1992	1/2
May 31 and before Sept. 1	Sept. 15, 1992	3/4
Aug. 31	Jan. 15, 1993	all

Farmers and Fishermen. If at least two-thirds of your gross income for 1991 or 1992 is from farming or fishing, you may do one of the following:

- Pay all of your estimated tax by January 15, 1993, or
- File your 1992 Form 1040 by March 1, 1993, and pay the total tax due. In this case, 1992 estimated payments are not required.

Fiscal Year Filers. You are on a fiscal year if your 12-month tax period ends on any day except December 31. Due dates for fiscal year filers are the 15th day of the 4th, 6th, and 9th months and the 1st month of the following fiscal year. If any payment date falls on a Saturday, Sunday, or legal holiday, use the next working day.

Amending Estimated Tax Payments

To change or amend your estimated payments, first refigure your estimated tax using the worksheet on page 3. From your new estimated tax, subtract any amount of 1991 tax overpayment credited to 1992 and any estimated payments made to date. Make your remaining payments using the instructions for Payment Due Dates on this page.

When a Penalty is Applied

In some cases, you may owe a penalty when you file your return. The penalty is imposed on each underpayment for the number of days it remains unpaid. A penalty may be applied if you did not pay enough estimated tax, or you did not make the payments on time or in the required amount. A penalty may apply even if you have an overpayment on your tax return.

The penalty may be waived under certain conditions. See Pub. 505 for details.

How To Complete and Use the Payment-Voucher

There is a separate voucher for each due date. Please be sure you use the voucher with the correct due date shown in the upper right corner. Complete and send in the voucher only if a payment is due. To complete your voucher:

- Type or print your name, address, and social security number in the space provided on the voucher. If filing a joint voucher, also enter your spouse's name and social security number.
- Enter the amount you are sending in on the payment line of the voucher. You may apply all or part of your 1991 overpayment to any voucher.
- Enclose your payment, making the check or money order payable to: "Internal Revenue Service" (Not "IRS").
- Do not staple or attach your payment to the voucher.

- Mail your payment-voucher to the address shown on page 5 for the place where you live.
