Name	Employer identification number
------	--------------------------------

Note: In most cases, the corporation **does not** need to file Form 2220. The IRS will figure any penalty owed and bill the corporation. File Form 2220 **only** if one or more boxes in Part I apply to the corporation. If the corporation does not need to file Form 2220, it may still use it to figure the penalty. Enter the amount from line 36, Part III, on the penalty line of the corporation's income tax return, but do not attach Form 2220.

Part I Reasons For Filing—Check the boxes below that apply to the corporation. If any box is checked, the corporation must file Form 2220 with the corporation's tax return, even if it does not owe the penalty. If the box on line 1 or line 2 applies, the corporation may be able to lower or eliminate the penalty. See instructions.

- 1 The corporation is using the annualized income installment method.
- 2 The corporation is using the adjusted seasonal installment method.
- 3 The corporation is a "large corporation" figuring its first required installment based on the prior year's tax.
