General Instructions

Purpose of Form

Form 8837 is used to transmit documents relating to the adoption of model plan amendment(s) under one or more revenue procedures. Filers of this form will not receive a response from the Internal Revenue Service.

Who Must File

Sponsors of "master or prototype" plans (M&P plans), M&P mass submitter plans, regional prototype plans, regional prototype mass submitter plans, and volume submitter specimen plans adopting model plan amendments pursuant to a revenue procedure must file Form 8837, including supporting documents. To determine your eligibility to file this form, refer to the revenue procedure(s) containing and explaining the adoption of the model amendment(s) you desire to use.

Sponsors of M&P plans and regional prototype plans should file one form for all plans which share a common basic plan document. A volume submitter should file a form for each specimen plan. However, identical adopters of a mass submitter plan do not file this form.

For purposes of filing Form 8837, a sponsor is any organization, firm, or person that has received an opinion letter (issued for M&P plans, including mass submitter plans), notification letter (issued for regional prototype plans, including mass submitter plans), or an advisory letter (issued for volume submitter specimen plans) and has adopted a model amendment pursuant to a revenue procedure which requires the filing of Form 8837.

Where To File

M&P plans, M&P mass submitter plans, regional prototype plans, and regional prototype mass submitter plans:

File with each Internal Revenue Service key district office that has jurisdiction over the employer(s) who adopts the plan(s).

Volume submitter specimen plans:

File with each Internal Revenue Service key district office that issued an advisory letter. Address the filing to the attention of the Volume Submitter Coordinator identified in the advisory letter(s).

When To File

File Form 8837 and all supporting documents according to the due date specified in the revenue procedure(s) with which you wish to comply.

Who Must Sign

This form must be signed by a partner or officer of the sponsor who is authorized to sign, or other person authorized by a power of attorney. The power of attorney should be filed with the form.

Specific Instructions

User Fee

User fees are not required.

Line 4

The letter serial number is located at the top of the opinion, notification, or advisory letter. In the case of M&P plans or regional prototype plans, if several plans use the identical basic plan document, the serial number for the most recent letter for each plan should be listed. (Each basic plan document together with an adoption agreement is a separate plan.)

Line 5

If changes have been made only to the basic plan document which has several adoption agreements under it, submit only the changed basic plan document. If you prefer, you may submit just the changed pages.

Sponsors of volume submitter plans do not complete lines 6, 7, 8, and 9.

Line 7

Attach a copy of the most recent opinion or notification letter for each plan. (Each basic plan document together with an adoption agreement is a separate plan.)
