Instructions

Sales by Registered Ultimate Vendors of Undyed Diesel Fuel and Undyed Kerosene

Purpose. A registered ultimate vendor of undyed diesel fuel or undyed kerosene uses Schedule 2 to make a claim for refund. The fuel must have been sold for use on a farm for farming purposes or for the exclusive use by a state or local government, or for kerosene from a blocked pump.

Period of claim. Enter the period of the claim using the MMDDYYYY format. For example, the first quarter of 2000 for a calendar-year taxpayer would be from 01012000 to 03312000.

UV and **UP** registration numbers. You must enter your registration number in the boxes provided. You are registered if you received a UV (ultimate vendor of undyed diesel fuel and undyed kerosene) or a UP (ultimate vendor of kerosene sold from a blocked pump) registration number from the IRS that has not been revoked or suspended. If you do not have a registration number, you cannot make this claim. Get **Form 637**, Application for Registration (For Certain Excise Tax Activities), to apply for one.

Gallons. Enter the amount to the nearest whole gallon. See **How To Round** in the Form 8849 instructions.

Amount of refund. Multiply the rate by the number of gallons and enter the result in the boxes for column (c).

Required certificate. The certificate must contain all the information as shown in the Model Certificate in Regulations section 48.6427-9(e).

How to file. Attach Schedule 2 to Form 8849. On the envelope write "Diesel Fuel/Kerosene Claim" and mail to the IRS at the address under **Where To File** in the Form 8849 instructions.
