Instructions for Form 5434

General Instructions

Before filling out the Application for Enrollment (Form 5434), read the regulations (Parts 901 and 902 of Chapter VIII of Title 20 of the Code of Federal Regulations); if you do not have a copy of these regulations, one may be obtained on request to the Executive Director, Joint Board for the Enrollment of Actuaries, Deportment of the Treasury, Internal Revenue Service, Washington, D.C. 20224.

Form 5434 should not be completed and submitted for consideration until you have, in your judgment, satisfied all the requirements for enrollment that are stated in section 901.13 of the regulations, including in particular the requirement for qualifying experience in section 901.13(b), the requirement for basic actuarial knowledge in section 901.13(c)

and the requirement for pension actuarial knowledge in section 901.13(d).

To take either or both of the examinations given by the Joint Board, you should submit an Application for Examination. The application form is available from the Society of Actuaries, the American Society of Pension Actuaries and the Join Board for the Enrollment of Actuaries.

If you believe that you satisfy the basic actuarial knowledge requirement of section 901.13(c) because your formal education qualifies under the terms of section 901.13(c)(3), you should arrange to have all academic institutions involved send the appropriate transcripts to the Executive Director.

Instructions for Certain Items

Item 3. Providing your social security number, which will be used by the Joint Board for identification purposes only, is voluntary.

Item 10. You must have, within the 10-year period immediately preceding the date of your Application for Enrollment, either (1) a minimum of 36 months of responsible pension actuarial experience or (2) a minimum of 60 months of responsible actuarial experience including at least 18 months of responsible pension actuarial experience. The terms "actuarial experience", "responsible actuarial experience", "responsible actuarial experience", "month of responsible actuarial experience", and "month of responsible pension actuarial experience" are defined in section 901.1 of the regulations. You should account in Schedule A for all such experience within the last 10 years.

Item 13. List the examination(s) which you have passed of any actuarial organization that is being presented as satisfying section 901.13(c) and (d). Where credit for an examination has been given for earlier examinations taken and passed. If an examination has been passed in more than one part, list all the parts.

Item 14. If none, enter "none"

Schedule A. If employment for an employer consisted of two (or more) periods, one of which consisted of responsible pension actuarial experience and the other(s) did not treat this as different periods of employment in separate blocks of Schedule A. Attach additional Schedules A if needed to account for the entire 10 years before application. Duplicated copies of Schedule A may be used or additional copies of Schedule A may be obtained from the Executive Director. The Joint Board anticipates that the individual(s) who will be asked to verify and evaluate your experience will generally be your supervisor(s). However, if you feel that some other individual(s) would be better able than your immediate supervisor to verify and evaluate your experience, please explain and then provide the appropriate name(s) and address(es) in addition to the name and address of the immediate supervisor. If you believe it is appropriate for several individuals to verify and evaluate your experience for anyone block of experience for different periods of time, provide the names of all such individuals, their addresses, and their positions.
