Who Must File

If the corporation claims a credit for any income taxes paid, accrued, or deemed paid during the tax year on foreign oil and gas extraction income, the amount of such taxes eligible for credit may be reduced. See section 907(a) and Regulations section 1.907(a)-1 for details.

Complete Schedule I for each applicable category of income.

Method of Reporting

Report all amounts in U.S. dollars. If it is necessary to convert from foreign currency, attach a statement explaining how the rate was determined.

Specific Instructions

Note: A net extraction loss from a foreign country offsets extraction income from other foreign countries.

Part I

See section 907(c) and underlying regulations for rules on the income to include in Part I.

Note: Do not include any dividend or interest income that is passive income. See the instructions for Form 1118 for the definition of passive income.

Column 2. Enter gross income from sources outside the United States and its possessions from extraction (by the corporation or any other person) of minerals from oil or gas wells located outside the United States and its possessions.

Column 3. Enter gross income from sources outside the United States and its possessions from the sale or exchange of assets used in the trade or business of extracting minerals from oil or gas wells located outside the United States and its possessions.

Column 4. Enter dividends (including section 78 gross-up) from a foreign corporation in respect of which taxes are deemed paid under section 902 only if the dividends are paid out of foreign oil and gas extraction income of the distributing corporation and are not passive income. Dividends from foreign corporations in respect of which the corporation is not entitled to compute a deemed paid credit are passive income and are not included in Part I.

Column 5. Enter amounts taxable under section 951(a) (including section 78 gross-up) to the extent attributable to the controlled foreign corporation's foreign oil and gas extraction income.

Column 6. Include the corporation's distributive share of partnership foreign oil and gas extraction income.

Do not include in column 6 interest income paid by a foreign subsidiary, even if the interest is paid out of foreign oil and gas extraction income of the payor and is not passive income. See section 907(c)(3).

Columns 12 and 13. Attach a schedule to show how the foreign taxes paid, accrued, or deemed paid with respect to foreign oil and gas extraction income were figured.

Part II

Line 1. Enter the total from Part I, column 11 minus any recapture of foreign oil and gas extraction losses by recharacterizing later extraction income, as described in section 907(c)(4).

Line 2. At the time this schedule went to print, the highest rate of tax specified under section 11(b) was 35%.
