General Instructions

Purpose of Form

Donee organizations use Form 8282 to report information to the IRS about dispositions of certain charitable deduction property made within 2 years after the donor contributed the property.

Definitions

Note: For Form 8282 and these instructions, the term "donee" includes all donees, unless specific reference is made to "original" or "successor" donees.

Original donee. The first donee to or for which the donor gave the property. The original donee is required to sign an Appraisal Summary presented by the donor for charitable deduction property.

Successor donee. Any donee of property other than the original donee.

Appraisal summary. Section B of Form 8283, Noncash Charitable Contributions.

Charitable deduction property. Property (other than money or certain publicly traded securities) for which the original donee signed, or was presented with for signature, the Appraisal Summary (Form 8283, Section B).

Generally, only items or groups of similar items for which the donor claimed a deduction of more than \$5,000 are included on the Appraisal Summary. There is an exception if a donor gives similar items to more than one donee organization and the total deducted for these similar items exceeds \$5,000. For example, if a donor deducts \$2,000 for books given to a donee organization and \$4,000 for books to another donee organization, the donor must present a separate Appraisal Summary to each organization. For more information, see the Instructions for Form 8283.

Who Must File

Original and successor donee organizations must file Form 8282 if they sell, exchange, consume, or otherwise dispose of (with or without consideration) charitable deduction property within 2 years after the date the original donee received the property. See **Charitable deduction property** earlier.

Exceptions. There are two situations where Form 8282 does not have to be filed.

1. Items valued at \$500 or less. You do not have to file Form 8282 if, at the time the original donee signed the Appraisal Summary, the donor had signed a statement on Form 8283 that the appraised value of the specific item was not more than \$500. If Form 8283 contains more than one similar item, this exception applies only to those items that are clearly identified as having a value of \$500 or less. However, for purposes of the donor's

determination of whether the appraised value of the item exceeds \$500, all shares of nonpublicly traded stock, or items that form a set, are considered one item. For example, a collection of books written by the same author, components of a stereo system, or six place settings of a pattern of silverware are considered one item.

2. Items consumed or distributed for charitable purpose. You do not have to file Form 8282 if an item is consumed or distributed, without consideration, in fulfilling your purpose or function as a tax-exempt organization. For example, no reporting is required for medical supplies consumed or distributed by a tax-exempt relief organization in aiding disaster victims.

When To File

If you dispose of charitable deduction property within 2 years of the date the original donee received it and you do not meet exception 1 or 2 above, you must file Form 8282 within 125 days after the date of disposition.

Exception. If you did not file because you had no reason to believe the substantiation requirements applied to the donor, but you later become aware that they did apply, file Form 8282 within 60 days after the date you become aware you are liable. For example, this exception would apply where an Appraisal Summary is furnished to a successor donee after the date that donee disposes of the charitable deduction property.

Missing Information

If Form 8282 is filed by the due date, you must enter your organization's name, address, and EIN and complete at least Part III, column (a). You do not have to complete the remaining items if the information is not available. For example, you may not have the information necessary to complete all entries if the donor's Appraisal Summary is not available to you.

Where To File

Send Form 8282 to the Internal Revenue Service, Ogden, UT 84201-0027.
