What's New

- Schedules 1, 2, 3, and 6 have all been revised based on the Tax Technical Corrections Act of 2007 (P.L. 110-172).
- Schedules 1 and 2 have been revised to allow claims for the leaking underground storage tank (LUST) tax paid on aviation gasoline and kerosene used or sold for use in foreign trade.
- Schedule 3 has been re-titled and revised to allow claims for the alternative fuel credit.
- Schedule 6 has been revised to remove alternative fuel credit claims for certain tax-exempt entities. The alternative fuel credit can now be claimed on Schedule 3.
- Electronic filing for Form 8849 is currently under development. Once deployed, you can electronically file Form 8849 through any electronic return originator (ERO), transmitter, and/or intermediate service provider (ISP) participating in the IRS *e-file* program for excise taxes. For more information on *e-file* and its availability, visit the IRS website at www.irs.gov/efile.
- After December 31, 2007, qualified sunchapter S subsidiaries (QSubs) and eligible single-owner disregarded entities are treated as separate entities for excise tax and reporting purposes. QSubs and eligible single-owner disregarded entities must pay and report excise taxes (other than IRS Nos. 31, 51, and 117), register for excise tax activites, and claim any refunds, credits, and payments under the entity's employer identification number (EIN). These actions cannot take place under the owner's taxpyer identification number (TIN). Some QSubs and disregarded entities may already havean EIN. However, if you are unsure, please call the IRS Business and Specialty tax line at 1-800-829-4933.

Generally, QSubs and eligible single-owner disregarded entities will continue to be treated as disregarded entities for other federal tax purposes (other than employment taxes). Thus, taxpayers filing Form 4136, Credit for Federal Tax Paid on Fuels, with Form 1040, Individual Income Tax Return, can use the owner's TIN. For more information on these new regulations, see Treasury Decision (T.D.) 9356. You can find T.D. 9356 on page 675 of Internal Revenue Bulletin 2007-39 at

General Instructions

Purpose of Form

Use Schedules 1, 2, 3, 5, and 8 to claim certain fuel related refunds such as nontaxable uses (or sales) of fuels. Form 8849 lists the schedules by number and title

Use Schedule 6 for claims not reportable on Schedules 1, 2, 3, 5, and 8, including refunds of excise taxes reported on:

- Form 720, Quarterly Federal Excise Tax Return;
- Form 730, Monthly Tax Return for Wagers;
- Form 11-C, Occupational Tax and Registration Return for Wagering; or
- Form 2290, Heavy Highway Vehicle Use Tax Return. Filers only need to complete and attach to Form 8849 the applicable schedules.

Do not use Form 8849:

- To make adjustments to liability reported on Forms 720 filed for prior quarters. Instead, use Form 720X.
- To claim amounts that you took or will take as a credit on Schedule C (Form 720), Form 730, Form 2290, or Form 4136.

Additional Information

- Pub. 510, Excise Taxes, has more information on nontaxable uses, and the definitions of terms such as ultimate vendor and blocked pump. Pub. 510 also contains information on fuel tax credits and refunds.
- Pub. 225, Farmer's Tax Guide, also includes information on credits and refunds for the federal excise tax on fuels applicable to farmers.

You may also call the business and specialty tax line at 1-800-829-4933 with your excise tax questions.

How To Fill In Form 8849

Name and Address

Print the information in the spaces provided. Begin printing in the first box on the left. Leave a blank box between each name and word. If there are not enough boxes, print as many letters as there are boxes. Use hyphens for compound names; use one box for each hyphen.

P.O. box. If your post office does not deliver mail to your street address and you have a P.O. box, show your box number instead of your street address.

Foreign address. Enter the information in the following order: city, state or province, and the name of the country. Follow the country's practice for entering the postal code. Do not abbreviate the country's name.

Taxpayer Identification Number (TIN)

Enter your employer identification number (EIN) in the boxes provided. If you are not required to have an EIN, enter your social security number (SSN). An incorrect or missing number will delay processing your claim.

Additional Information for Schedules 1, 2, and 3

Annual Claims

If a claim was not made for any gallons during the income tax year on Form 8849, an annual claim may be made. Generally, an annual claim is made on Form 4136 for the income tax year during which the fuel was:

- Used by the ultimate purchaser;
- Sold by the registered ultimate vendor;
- Purchased with a credit card issued by a registered credit card issuer (except for gasoline and aviation gasoline);
- Used to produce alcohol fuel mixtures, biodiesel or renewable diesel mixtures, and alternative fuel mixtures; or
- Used in mobile machinery.

The following claimants must use Form 8849 (Schedule 1) for annual claims.

- 1. The United States.
- **2.** A state, political subdivision of a state, or the District of Columbia (but see *Types of Use 13 and 14* on page 3).
- **3.** Organizations exempt from income tax under section 501(a) (provided that the organization is not required to file Form 990-T, Exempt Organization Business Income Tax Return, for that taxable year).

For claimants included in 1–3 above, the annual Form 8849 for fuel used during the taxable year must be filed within the 3 years following the close of the taxable year. For these claimants, the taxable year is based on the calendar year or fiscal year it regularly uses to keep its books.

Although not an annual claim, the above claimants should use Schedule 3 to claim the alternative fuel credit.

Note. Gasoline used by the above claimants on a farm for farming purposes (type of use 1) is an allowable use on Line 1 of Schedule 1.
