Child Tax Credit

This credit is for people who have a qualifying child as defined on this page. It is in addition to the credit for child and dependent care expenses (on Form 1040, line 47; Form 1040A, line 29; or Form 1040NR, line 44) and the earned income credit (on Form 1040, line 66a; or Form 1040A, line 40a).

The maximum amount you can claim for the credit is \$1,000 for each qualifying child.

Qualifying Child

A qualifying child for purposes of the child tax credit is a child who:

- Is your son, daughter, stepchild, foster child, brother, sister, stepbrother, stepsister, or a descendant of any of them (for example, your grandchild, niece, or nephew),
- 2. Was under age 17 at the end of 2007,
- 3. Did not provide over half of his or her own support for 2007,
- 4. Lived with you for more than half of 2007 (see *Exceptions to time lived with you* below), and
- 5. Was a U.S. citizen, a U.S. national, or a U.S. resident alien. If the child was adopted, see *Adopted child* below.

For each qualifying child, you must either check the box on Form 1040 or Form 1040A, line 6c, column (4); Form 1040NR, line 7c, column (4); or complete Form 8901 (if the child is not your dependent).

Adopted child. An adopted child is always treated as your own child. An adopted child includes a child lawfully placed with you for legal adoption.

If you are a U.S. citizen or U.S. national and your adopted child lived with you all year as a member of your household in 2007, that child meets condition (5) above to be a qualifying child for the child tax credit.

Exceptions to time lived with you. A child is considered to have lived with you for all of 2007 if the child was born or died in 2007 and your home was this child's home for the entire time he or she was alive. Temporary absences for special circumstances, such as for school, vacation, medical care, military service, or detention in a juvenile facility, count as time lived with you.

There are also exceptions for kidnapped children and children of divorced or separated parents. For details, see the instructions for Form 1040, lines 52 and 6c; Form 1040A, lines 32 and 6c; or Form 1040NR, lines 47 and 7c.

Qualifying child of more than one person. A special rule applies if your qualifying child is the qualifying child of more than one person. For details, see the instructions for Form 1040, lines 52 and 6c, or Form 1040A, lines 32 and 6c.

Limits on the Credit

You must reduce your child tax credit if either (1) or (2) applies.

- 1. The amount on Form 1040, line 46; Form 1040A, line 28; or Form 1040NR, line 43; is less than the credit. If this amount is zero, you cannot take this credit because there is no tax to reduce. But you may be able to take the additional child tax credit. See *Additional Child Tax Credit*, later.
- 2. Your modified adjusted gross income (AGI) is above the amount shown below for your filing status.
 - a. Married filing jointly \$110,000.
 - b. Single, head of household, or qualifying widow(er) \$75,000.
 - c. Married filing separately \$55,000.

Modified AGI. For purposes of the child tax credit, your modified AGI is your AGI plus the following amounts that may apply to you.

- Any amount excluded from income because of the exclusion of income from Puerto Rico. On the dotted line next to Form 1040, line 38, enter the amount excluded and identify as "EPRI." Also attach a copy of any Form(s) 499R-2/W-2PR to your return.
- Any amount on line 45 or line 50 of Form 2555, Foreign Earned Income.
- Any amount on line 18 of Form 2555-EZ, Foreign Earned Income Exclusion.
- Any amount on line 15 of Form 4563, Exclusion of Income for Bona Fide Residents of American Samoa.

If you do not have any of the above, your modified AGI is the same as your AGI.

AGI. Your AGI is the amount on Form 1040, line 38; Form 1040A, line 22; or Form 1040NR, line 36.

Claiming the Credit

To claim the child tax credit, you must file Form 1040, Form 1040A, or Form 1040NR. You cannot claim the child tax

credit on Form 1040EZ or Form 1040NR-EZ. You must provide the name and identification number (usually a social security number) on your tax return (or Form 8901) for each qualifying child.

Earned Income

You will need to figure your earned income using one of the worksheets in this publication if you are completing the Line 11 Worksheet (page 6) or Form 8812. Form 1040 or Form 1040NR filers, use the worksheet on page 8 to figure your earned income. Form 1040A filers, use the worksheet on page 9.

For this purpose, earned income includes only:

- Taxable earned income, and
- Nontaxable combat pay.

Additional Child Tax Credit

This credit is for certain individuals who get less than the full amount of the child tax credit. The additional child tax credit may give you a refund even if you do not owe any tax.

How to claim the additional child tax credit. To claim the additional child tax credit, follow the steps below.

- 1. Make sure you figured the amount, if any, of your child tax credit.
- 2. If you answered "Yes" on line 4 or line 5 of the Child Tax Credit Worksheet in the Form 1040, Form 1040A, or Form 1040NR instructions (or on line 13 of the Child Tax Credit Worksheet in this publication), use Form 8812 to see if you can take the additional child tax credit.
- 3. If you have an additional child tax credit on line 13 of Form 8812, carry it to Form 1040, line 68; Form 1040A, line 41; or Form 1040NR, line 62.

Detailed Example

Steve and Gretchen Leaf have four children who are all qualifying children for the child tax credit. Steve and Gretchen's adjusted gross income (AGI) (Form 1040, line 38) is \$112,000. This amount represents Steve's salary and is considered earned income. They will file a joint return. Assume that their tax (Form 1040, line 46) is \$2,000.

Steve and Gretchen have the 2007 Form 1040 tax package and instructions. They want to see if they qualify for the child tax credit, so they follow the steps for line 52 in the instructions.

Step 1. In Step 1 of those instructions Steve and Gretchen determine all four children qualify for the child tax credit.

Step 2. The Leafs check the box in column (4) of line 6c on Form 1040 for each child.

Step 3. In Step 3 the Leafs find out they must use Publication 972 to figure their child tax credit because their AGI is more than \$110,000. When they read Publication 972, they find out they must complete the Child Tax Credit Worksheet that begins on page 4.

Completing the Child Tax Credit Worksheet. Steve and Gretchen fill out the worksheet (shown here) to find out how much child tax credit they can claim.

- 1. Steve and Gretchen enter the number of qualifying children (4), multiply 4 by \$1,000, and enter the result (\$4,000) in the box for line 1.
- 2. They enter their AGI (\$112,000) in the box for line 2.
- 3. They enter -0- in the box for line 3 since they did not exclude any income from Puerto Rico or any income on Form 2555, Form 2555-EZ, or Form 4563.
- 4. They add \$112,000 and \$0 and enter the result (\$112,000) in the box for line 4.
- 5. They enter \$110,000 in the box for line 5 since they will file a joint return.
- 6. They check the "Yes" box in line 6 since the amount on line 4 (\$112,000) is more than the amount on line 5 (\$110,000). They subtract line 5 (\$110,000) from line 4 (\$112,000) and enter the result (\$2,000) in the box for line 6.
- 7. They multiply the amount on line 6 (\$2,000) by 5% (.05) and enter the result (\$100) in the box for line 7.
- They check the "Yes" box in line 8 since the amount on line 1 (\$4,000) is more than the amount on line 7 (\$100). They subtract line 7 (\$100) from line 1 (\$4,000) and enter the result (\$3,900) in the box for line 8.
- 9. They enter the amount from line 46 of their Form 1040 (\$2,000) in the box for line 9.
- 10. Steve and Gretchen did not have any of the credits on lines 47, 48, 49, 50, 51, or 53 of Form 1040, so they enter -0- in the box for line 10.

- They check the "No" box on line 11 because they are not claiming any of the credits shown on line 11. They enter -0- in the box for line 11.
- 12. They subtract the amount on line 11 (\$0) from the amount on line 9 (\$2,000) and enter the result (\$2,000) in the box for line 12.
- They check the "Yes" box in line 13 since the amount on line 8 (\$3,900) is more than the amount on line 12 (\$2,000). They enter the amount from line 12 (\$2,000) in the box for line 13. Their child tax credit is \$2,000. They enter \$2,000 on line 52 of their Form 1040.

Steve and Gretchen read the *TIP* in the worksheet and find that they may be able to take the additional child tax credit because they checked the "Yes" box in line 13.

Steve and Gretchen complete their Form 1040 through line 67 and use Form 8812 to see if they can claim the additional child tax credit.

Completing Form 8812.

- 1. They enter the amount from line 8 of their Child Tax Credit Worksheet (\$3,900) on line 1.
- 2. On line 2, they enter the amount of their child tax credit (\$2,000) from line 52 of their Form 1040.
- 3. Steve and Gretchen subtract the amount on line 2 (\$2,000) from the amount on line 1 (\$3,900) and enter the result (\$1,900) on line 3.
- 4. Before completing line 4a, they read the instructions on the back of the form and find they should enter the amount from line 7 of their Form 1040 (\$112,000) on line 4a.
- 5. Neither Steve nor Gretchen had any nontaxable combat pay, so they leave line 4b blank.
- Since the amount on line 4a (\$112,000) is more than \$11,750, they check the "Yes" box on line 5, and subtract \$11,750 from the amount on line 4a (\$112,000) and enter the result (\$100,250) on line 5.
- 7. They multiply the amount on line 5 (\$100,250) by 15% (.15) and enter the result (\$15,038) on line 6. Next, they are asked if they have three or more qualifying children. Steve and Gretchen check the "Yes" box. Since line 6 (\$15,038) is more than line 3 (\$1,900), they skip *Part II* and enter the amount from line 3 (\$1,900) on line 13. This \$1,900 is their additional child tax credit. They also enter this amount on line 68 of their Form 1040.

Steve and Gretchen will get a child tax credit of \$2,000 and an additional child tax credit of \$1,900 for the year.

How To Get Tax Help

You can get help with unresolved tax issues, order free publications and forms, ask tax questions, and get information from the IRS in several ways. By selecting the method that is best for you, you will have quick and easy access to tax help.

Contacting your Taxpayer Advocate. The Taxpayer Advocate Service (TAS) is an independent organization within the IRS whose employees assist taxpayers who are experiencing economic harm, who are seeking help in resolving tax problems that have not been resolved through normal channels, or who believe that an IRS system or procedure is not working as it should.

You can contact the TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059 to see if you are eligible for assistance. You can also call or write to your local taxpayer advocate, whose phone number and address are listed in your local telephone directory and in Publication 1546, Taxpayer Advocate Service – Your Voice at the IRS. You can file Form 911, Request for Taxpayer Advocate Service Assistance (And Application for Taxpayer Assistance Order), or ask an IRS employee to complete it on your behalf. For more information, go to *www.irs.gov/advocate*.

Taxpayer Advocacy Panel (TAP). The TAP listens to taxpayers, identifies taxpayer issues, and makes suggestions for improving IRS services and customer satisfaction. If you have suggestions for improvements, contact the TAP, toll free at 1-888-912-1227 or go to *www.improveirs.org.*

Low Income Taxpayer Clinics (LITCs). LITCs are independent organizations that provide low income taxpayers with representation in federal tax controversies with the IRS for free or for a nominal charge. The clinics also provide tax education and outreach for taxpayers with limited English proficiency or who speak English as a second language. Publication 4134, Low Income Taxpayer Clinic List, provides information on clinics in your area. It is available at www.irs.gov or at your local IRS office.

Free tax services. To find out what services are available, get Publication 910, IRS Guide to Free Tax Services. It contains a list of free tax publications and describes other free tax information services, including tax education and assistance programs and a list of TeleTax topics.

Accessible versions of IRS published products are available on request in a variety of alternative formats for people with disabilities.

Evaluating the quality of our telephone services. To ensure IRS representatives give accurate, courteous, and professional answers, we use several methods to evaluate the quality of our telephone services. One method is for a second IRS representative to listen in on or record random telephone calls. Another is to ask some callers to complete a short survey at the end of the call.

Walk-in. Many products and services are available on a walk-in basis.

- Products. You can walk in to many post offices, libraries, and IRS offices to pick up certain forms, instructions, and publications. Some IRS offices, libraries, grocery stores, copy centers, city and county government offices, credit unions, and office supply stores have a collection of products available to print from a CD or photocopy from reproducible proofs. Also, some IRS offices and libraries have the Internal Revenue Code, regulations, Internal Revenue Bulletins, and Cumulative Bulletins available for research purposes.
- Services. You can walk in to your local Taxpayer Assistance Center every business day for personal, face-to-face tax help. An employee can explain IRS letters, request adjustments to your tax account, or help you set up a payment plan. If you need to resolve a tax problem, have questions about how the tax law applies to your individual tax return, or you're more comfortable talking with someone in person, visit your local Taxpayer Assistance Center where you can spread out your records and talk with an IRS representative face-to-face. No appointment is necessary, but if you prefer, you can call your local Center and leave a message requesting an appointment to resolve a tax account issue.
