## Who Must File Schedule SE

You must file Schedule SE if:

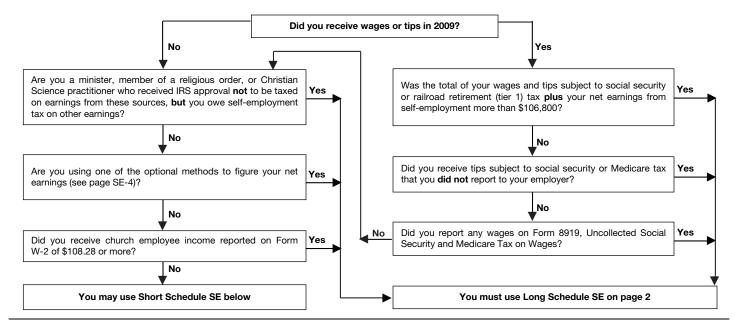

- You had net earnings from self-employment from **other than** church employee income (line 4 of Short Schedule SE or line 4c of Long Schedule SE) of \$400 or more, **or**
- You had church employee income of \$108.28 or more. Income from services you performed as a minister or a member of a religious order is not church employee income (see page SE-1).

**Note.** Even if you had a loss or a small amount of income from self-employment, it may be to your benefit to file Schedule SE and use either "optional method" in Part II of Long Schedule SE (see page SE-4).

**Exception.** If your only self-employment income was from earnings as a minister, member of a religious order, or Christian Science practitioner **and** you filed Form 4361 and received IRS approval not to be taxed on those earnings, **do not** file Schedule SE. Instead, write "Exempt—Form 4361" on Form 1040, line 56.

### May I Use Short Schedule SE or Must I Use Long Schedule SE?
