## Frequently Asked Questions New Annual Electronic Notice — e-Postcard (Form 990-N) April 3, 2007

1. Is there a new filing requirement for small tax-exempt organizations?

Beginning in 2008, small tax-exempt organizations, who previously were not required to file a return, may be required to file an annual electronic notice, Form 990-N, *Electronic Notice (e-Postcard) for Tax-Exempt Organizations not Required To File Form 990 or 990-EZ.* This filing requirement applies to tax periods beginning after December 31, 2006.

Small tax-exempt organizations whose gross receipts are normally \$25,000 or less are not required to file Form 990 or Form 990-EZ, *Return of Organization Exempt From Income Tax.* With the enactment of the Pension Protection Act of 2006, these small tax-exempt organizations will now be required to file an electronic Form 990-N with the IRS annually. Exceptions to this requirement include organizations who are included in a group return, private foundations required to file Form 990-PF, and section 509(a)(3) supporting organizations required to file Form 990-EZ.

2. How do I file Form 990-N (e-Postcard)?

Form 990-N, also known as the e-Postcard, must be filed electronically. There will be no paper form. The IRS is developing an electronic filing system for the e-Postcard, and will publicize the filing procedures when the system is completed and ready for use.

**3.** Will I need to purchase a computer and software to file the e-Postcard?

The IRS plans to deliver a simple, Internet based process for filing the e-Postcard. We anticipate that organizations that do not have access to a computer can go to places such as their local library to file the e-Postcard. Because the system will be Internet based, organizations should not need to purchase software to file the e-Postcard.

4. When will the e-Postcard (Form 990-N) be due? How often do I need to file?

Beginning in 2008, the e-Postcard will be due every year by the 15<sup>th</sup> day of the fifth month after the close of your tax period. For example, if your tax period ends on December 31, 2007, the e-Postcard is due May 15, 2008.

**5.** What information do I need to provide on the e-Postcard?

The e-Postcard will require you to provide the following information:

- Organization's name,
- Any other names your organization uses,
- Organization's mailing address,
- Organization's website address (if applicable),
- Organization's employer identification number (EIN),
- Name and address of a principal officer of your organization,
- Organization's annual tax period.
- A statement that your organization's annual gross receipts are still normally \$25,000 or less, and
- If applicable, indicate if your organization is going out of business.

**6.** Why do I need to provide this information?

The Pension Protection Act of 2006 added this filing requirement to improve transparency within the non-profit sector. The information will ensure that donors, who may want to contribute to your organization, and the IRS have current information about your organization.

7. Will the IRS notify affected organizations about the filing requirement?

The IRS will mail educational letters starting in July 2007 notifying small tax-exempt organizations that they may have to file the e-Postcard. In addition, we will update our website at <a href="https://www.irs.gov/eo">www.irs.gov/eo</a> with the latest information on filing the e-Postcard.

**8.** How can I ensure that the IRS has my organization's correct address?

If you believe the IRS may have an incorrect address for your organization, file Form 8822, Change of Address, with the IRS. You will need to complete Parts II and III. To get Form 8822, go to <a href="https://www.irs.gov/eo">www.irs.gov/eo</a> and click on "Forms and Publications."

9. Can I file Form 990 or Form 990-EZ instead of the e-Postcard (Form 990-N)?

If you prefer to file an information return, Form 990 or 990-EZ, you must complete the entire return. An incomplete or partially completed Form 990 or 990-EZ will not satisfy the annual filing requirement.

**10.** What happens if I fail to file the e-Postcard or Form 990 or 990-EZ?

The Pension Protection Act requires the IRS to revoke the tax-exempt status of any organization who fails to meet their annual filing requirement for three consecutive years. Therefore, organizations who do not file the e-Postcard or an information return, Form 990 or 990-EZ, for three consecutive years will have their tax-exempt status revoked as of the filing due date of the third year.

**11.** Can an organization have its tax-exempt status reinstated if it was revoked for failing to file for three consecutive years?

You must apply (or reapply) and pay the appropriate user fee to have your tax-exempt status reinstated if it was revoked because you failed to file for three consecutive years. Reinstatement of tax-exempt status may be retroactive if you can show that you had reasonable cause for not filing. To apply for tax-exempt status, use Form 1023, *Application for Recognition of Exemption*, or Form 1024, *Application for Exemption Under Section 501(a)*.
